Dear Parents:

Each year a group of students from St. Michael Catholic Secondary School participate in a poverty awareness trip to the Dominican Republic. Three of these students are from the Dublin/St. Columban area: Katie Lang, Erin Feeney and Ian Murray.

In keeping with being a Community of Caring, our schools have chosen to support this worthwhile endeavour. A donation of a toonie per student would be greatly appreciated. Other items that would be gladly accepted are used baseball gloves, lightweight toiletries and school supplies. We ask that these items be brought to the school by **Friday, Jan. 30th**.

We thank you for your generosity .
